

# **In-depth Analysis Study Report on Gold Industry Investment**

## **Outline**

### **Chapter One Brief Introduction**

#### Part 1. Definition and Classification of Gold Industry

##### 1.1 Industrial Definition

##### 1.2 Classification of National Economy Industry and the Category of Gold

##### Industry

##### 1.3 Characteristics and Status of Gold Industry in National Economy

#### Part 2. Basic Knowledge of Gold Industry

##### 2.1 Properties and Applications of Gold

###### 2.1.1 Physical Property

###### 2.1.2 Chemical Property

###### 2.1.3 Commodity Property

###### 2.1.4 Social Financial Property

###### 2.1.5 Application Analysis of Gold

##### 2.2 Analysis on Technological Process of Production

##### 2.3 Gold Product Standard

##### 2.4 Industrial Chain of Gold

#### Part 3. Statistic Index of Gold Industry

##### 3.1 Departments, Methods of Statistics

##### 3.2 Major Index of Gold Industry

#### Part 4. Review of Gold Industry

##### 4.1 History of Gold Mining Industry

##### 4.2 History of Refinery Gold as Byproducts

### **Chapter Two Development Environment of Gold Industry**

#### Part 1. World Economical Development and Outlook

#### Part 2. The 13th Five-year Plan of National Economy and Social Development

#### Part 3. China Mineral Resource Plan 2016-2020

Part 4. Nonferrous Metals Industry Development Plan 2016-2020

Part 5. The 13th Five-year Plan of Gold Industry

Part 6. The 13th Five-year Plan of Financial Industry and Other related Plan

Part 7. Related Policies of Gold Industry

### **Chapter Three Analysis on Development of Global Gold Industry**

Part 1. Analysis on Global Gold Industry (information disclosure updated to 2016)

1.1 Characteristics of Global Gold Industry, from 2011 to 2015

1.2 Analysis on Global Gold Production, from 2011 to 2015

1.2.1 Primary Gold

1.2.2 Recycled Gold

1.3 Analysis on Global Gold Consumption, from 2011 to 2015

1.3.1 Physical Consumption

1.3.2 Investment Consumption

1.3.3 Financial Derivative Product

1.4 Global Gold Trade Analysis from 2011 to 2015

1.5 Analysis on Global Gold Investment Market from 2011 to 2015

1.6 Development Prospects of Global Gold Industry

Part 2. Market Analysis of Gold Industry by Major Countries or Regions  
(information disclosure updated to 2016 gradually)

2.1 Global Geo-Distribution of Gold Resources

2.1.1 Gold Resources Geo-Distribution by Countries

2.1.2 Tracking Study on Global Major Gold Mines Distribution and  
Development

2.2 Global Gold Production by Countries

2.2.1 China

2.2.2 Australia

2.2.3 Russia

2.2.4 US

2.2.5 Peru

2.3 Global Gold Consumption by Countries

2.3.1 China

2.3.2 India

2.3.3 US

2.3.4 Germany

2.3.5 Turkey

2.4. Analysis on Gold Reserve by Countries

## **Chapter Four Development Analysis on China's Gold Industry** (information disclosure updated to 2016 gradually)

Part 1. Development Analysis on Gold Industry During the 12th Five-year Plan  
(2011-2015)

Part 2. Production Analysis on Gold Industry During the 12th Five-year Plan  
(2011-2015)

2.1 Analysis on Industry Production Value

2.2 Analysis on Production Output

2.3 Analysis on Industrial Facility Location

2.4 Analysis on Resource Allocation and Major Projects

2.5 Analysis on Major Technical-economic Indicators

2.6 Analysis on Economic Profits

2.7 Analysis on Scientific and Technological Progress

2.8 Analysis on Capital Operation

2.9 Analysis on Brand Building

2.10 Analysis on Industrial Standard Architecture

Part 3. Operation Analysis on China's Refineries Which Produce Gold as  
Byproducts During the 12th Five-year Plan

Part 4. Demand Analysis on Gold Consumption during the 12th Five-year Plan

4.1 Structural Analysis on Consumption

4.2 Trend Analysis on Consumption

Part 5 Analysis on Gold Trade during the 12th Five-Year Plan ( 2011-2015)

5.1 Raw Materials (Gold Concentrate, Gold Containing Concentrate of  
Copper, Lead or Silver)

5.2 Gold Ingot

5.3 Gold Fabricated Products (Jewelries)

Part 6 Market Analysis on Gold Investment Market During the 12th Five-year Plan (2011-2015)

Part 7 Development Outlook of Gold Industry During the 13th Five-year Plan (2016-2020)

## **Chapter Five Study Analysis on Gold Market**

Part 1 Review of Global Gold Price from 2011 to 2016

Part 2 Review of Domestic Gold Price from 2011 to 2016

Part 3 Analysis on Influence Factors of International Gold

Part 4 Analysis on Production Cost of Gold Both in China and Abroad (information disclosure updated to 2016 gradually)

4.1 Component Analysis on Gold Production Cost

4.2 AISC Cost Analysis on World Gold Industry 2011-2105

4.3 AISC Cost Analysis on World Major Gold Producers 2011-2015

4.4 Cost Analysis on China's Gold Industry 2011-2015

4.5 Cost Analysis on China's Major Gold Producers 2011-2015

Part 5 Trend Analysis on International Gold Price in Long Term (2016-2020)

## **Chapter 6 Strategic Research on the Competitiveness and Development of Major Gold Producers**

Part 1 Analysis on Competitive Landscape of Global Gold Industry

1.1 Competitive Landscape of Global Gold Industry

1.2 Competitive Landscape of China's Gold Industry

Part 2 Strategic Research on the Competitiveness and Development of Five Major Gold Mining Companies

2.1 Barrick Gold

2.1.1 Company Profile

2.1.2 Company Resources

2.1.3 Industrial Allocation and Distribution

2.1.4 Product Mix & Output

2.1.5 Financial Index

2.1.6 Strategic Analysis on Competitiveness and Development

2.2. Newmont Mining

2.2.1 Company Profile

2.2.2 Company Resources

2.2.3 Industrial Allocation and Distribution

2.2.4 Product Mix & Output

2.2.5 Financial Index

2.2.6 Strategic Analysis on Competitiveness and Development

2.3. Anglo Gold Ashanti

2.3.1 Company Profile

2.3.2 Company Resources

2.3.3 Industrial Allocation and Distribution

2.3.4 Product Mix & Output

2.3.5 Financial Index

2.3.6 Strategic Analysis on Competitiveness and Development

2.4. Goldcorp

2.4.1 Company Profile

2.4.2 Company Resources

2.4.3 Industrial Allocation and Distribution

2.4.4 Product Mix & Output

2.4.5 Financial Index

2.4.6 Strategic Analysis on Competitiveness and Development

2.5. Kinross Gold

2.5.1 Company Profile

2.5.2 Company Resources

2.5.3 Industrial Allocation and Distribution

2.5.4 Product Mix & Output

2.5.5 Financial Index

2.5.6 Strategic Analysis on Competitiveness and Development

Part 3 Strategic Research on the Competitiveness and Development of China's Major Gold Mining Companies

3.1.1 Company Profile

3.1.2 Company Resources

3.1.3 Industrial Allocation and Distribution

3.1.4 Product Mix & Output

3.1.5 Financial Index

3.1.6 Strategic Analysis on Competitiveness and Development

Part 4 Brief Byproduct Introduction of China's typical Gold Producers(Capacity, Output, Technical Equipment and etc.)

Five Major Producers

## **Chapter 7 Investment Opportunities of Gold Industry, Risk Warning and Dynamic Tracking Study**

**(Note:This chapter is customized according to clients' requirements and feedbacks. We will provide targeted analysis on investment opportunities and risk warning. Furthermore, we can provide various consulting services such as policy studies of gold industry, planning consultancy, market survey, development strategic study, management consultancy, net value investigation, project demonstration, study of project opportunities, project feasibility pre-study & study, project assessment & evaluation, standard revision and other in-depth consulting assignments.)**

7.1 Investment Proposal of Gold Industry

7.2 Risk Warning of Gold Industry
